COURTEOUS K9 BOARD & TRAIN INFORMATION & WAIVER

DOG(S) MUST BE APPROVED BY OUR TRAINERS: Mikaela Gustafson and/or Morgan Dondlinger
To be approved you must:

1. Have a dog who is not aggressive to people or dogs, please email us if you have questions about this requirement at Training@Courteousk9s.com

The trainer(s) have the right to deny this program for any reason.

2. Your dog must have proof of current vaccinations and be current on their flea/tick preventative.

BILLING INFORMATION:

Your boarding day charge will start the day you drop your dog off between 7-9am or 4-6pm (If these times do not work for your schedule, please email us!). On your last day, you will not be charged if you pick up in the same time bracket as you dropped off, unless pre-arranged with the trainer(s). For example, if you drop your dog off between 7-9am your dog will need to be picked up during the 7-9am timeframe on their last day in order to not be charged for an additional day of boarding.

PICK UP, DROP OFF & TRANSITIONAL TRAINING DAYS & LOCATION:

Our trainer(s) will meet you at the Courteous K9 facility (945 37th Ave NW) Monday-Friday for scheduled pick up, drop off, and any transitional training. Your pick up time must be scheduled with the trainers to ensure that there is availability for a transitional training lesson with you if you enrolled in a 10, 20 or 30 day package.

PROGRESS REPORTS AND/OR UPDATES POLICY:

Our trainers will either send a text, picture or video to you on Monday(s), Wednesday(s) and Friday(s), providing you will be able to receive messages, to keep you informed about your dog's progress or any concerns the trainers have.

PICTURE & VIDEO RELEASE:

Our trainers will be allowed to use any and all photos/videos of your dogs while in their care for promotional purposes such as, but not excluded to: Spotlight/Feature on our Courteous K9 Facebook page, Instagram, YouTube, etc.

GUARANTEE POLICY:

All dogs are individuals and their learning will progress at a variable rate. There are no guarantees that the dog will be able to learn, only that the lessons/instruction will be given. Dogs sometimes do not exhibit behaviors they do with you or at their home in a different environment, if the behavior is not showing, it is impossible for our trainers to work on improving that behavior. However, if you are participating in a package our trainers can help you with these issues as part of your trainer support after the program is over. Several sessions may be required to achieve desired results. All services have a non refundable policy, which is agreed to by signing this contract.

MAINTENANCE/UPKEEP OF TRAINING:

Dogs are either learning or forgetting, so a maintenance program must be followed if the dogs are to retain what they have learned. This may include changing the structure and routine of the household in order to set your dog up for success and make sure they are not practicing any unwanted behaviors in order to ensure these behaviors continue to improve. This is where consistency throughout the day is extremely important. For skill-based training it is better to take 5 minutes a day training Monday-Friday, than 30 minutes on Saturday.

TRAINER DISCRETION & WAIVERS:

Due to the nature of this program, the trainer(s) reserve the right to deny this service/program for any reason. Courteous K9 is a balanced training facility, our trainers believe dogs do best when learning new behaviors through mostly positive reinforcement (typically food/treats) yet given clear and consistent information- being reinforced for good choices, and being corrected or managed for inappropriate behaviors. You waive all rights, and allow our trainers to use their own discretion regarding training methodology and tools (such as the use of prong collars, bark collars, e-collars, etc. if they feel it to be necessary) and what they deem to be an emergency vet visit (unless otherwise stated by you in the paperwork).

INCIDENT PROTOCOL:

If the trainers at any time determine your dog to not be a good fit (such as, but not limited to, unforeseen dog aggression, human aggression, unmanageable separation anxiety, etc.), they will contact you and/or your emergency contact to come pick up your dog immediately.

In a medical emergency, the trainers will contact you and/or your emergency contact. If unable to get ahold of either party, the trainers will use their own discretion as to whether or not your dog needs medical attention. The trainers will not be held liable for any circumstance.

WAIVER OF LIABILITY AND INDEMNIFICATION:

The undersigned hereby agrees to waive any and all liability and to indemnify trainers from and against any and all liability or claims, demands, damages and costs for or arising out of participation in the training of the undersigned's dog, whether it be caused by the negligence of the trainers, their agents or employees, or otherwise. Further, the undersigned hereby assumes any and all risks related to participation in this program and assumes the risk of all conditions in and about the site of this program and waive any and all notice of the same.

I have read and understand all aspects of the above waiver information. I have asked questions for clarification if I did not understand any point in this waiver.
